

Powering Community Health Centers

to Advance Health and Wellness

▶ SOLUTIONS OVERVIEW

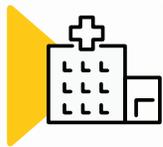

► OUR STORY

Canton & Company delivers purpose-built solutions to help Community Health Centers (CHCs), including the nation's more than 1,400 FQHCs, succeed in today's era of value-based care while also enabling them to reach more of the underserved and increase their collective impact.

Over the years, Canton & Company has created a high performance suite of services designed uniquely for the needs of Health Centers, and leverages deep experience to deliver strategic solutions to healthcare organizations, including CHCs/FQHCs.

Canton & Company is their catalyst for success.

Canton & Company is dedicated to supporting the country's more than:

Patients

Purpose-built for Community Health Centers, Canton & Company delivers services that elevate operational, clinical, and financial performance. Designed by Health Center leaders and experts, *our solutions power measurable improvements in vital performance and operational areas, such as revenue cycle management (RCM), strategic planning, growth, and technology.* Position your Health Center for success with an expert partner that improves how you work today and readies you for tomorrow.

Advance your strategies with **Analytics & Insights**

Success means solving for new challenges while transforming your Health Center to deliver value-based care. With Canton & Company as your partner, you gain the business insight needed to plan, scale, and refine your strategy to better serve your community. We'll uncover market realities and critical trends, then help you translate them into practical plans that really work.

- ▲ Value-based/population health analytics
- ▲ Network analytics
- ▲ Coding and reimbursement effectiveness
- ▲ Practice growth/new patient acquisition
- ▲ Operational benchmarking
- ▲ Compliance and quality reporting
- ▲ Labor productivity assessments
- ▲ Physician compensation design

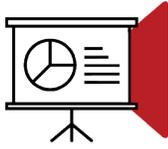

Expand your capabilities with **Managed Services**

Instead of doing more with less, take advantage of Canton & Company's proven suite of operational and departmental services that extend the performance and cost-effectiveness of your Health Center in a way that's flexible and forward-thinking.

Some of our solutions include:

- ▲ Outsourced RCM
- ▲ Virtual care/medical management platform and services
- ▲ IT platform management
- ▲ Managed pharmacy
- ▲ Departmental
 - Marketing/Communications
