

▶ THRIVE IN THE NEW ERA OF HEALTHCARE DELIVERY

Mobilize your community health centers (CHCs) to thrive financially in a value-driven environment with strategic and hands-on services from Canton & Company. Deeply embedded in the community, you're uniquely positioned to adopt value-based care (VBC) initiatives that form long-lasting, trusting relationships with the people you serve. Let Canton deliver on your margin, so you can deliver on your mission.

PATIENTS

Lower out-of-pocket costs and added care services

PROVIDERS

Workflow efficiencies and higher patient satisfaction

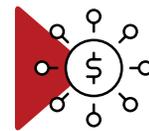

PAYERS

Aligned relationships with improved risk management

COMMUNITY

Reduced healthcare spend and improved health status

MISSION

Positive, sustainable outlook and broader reach

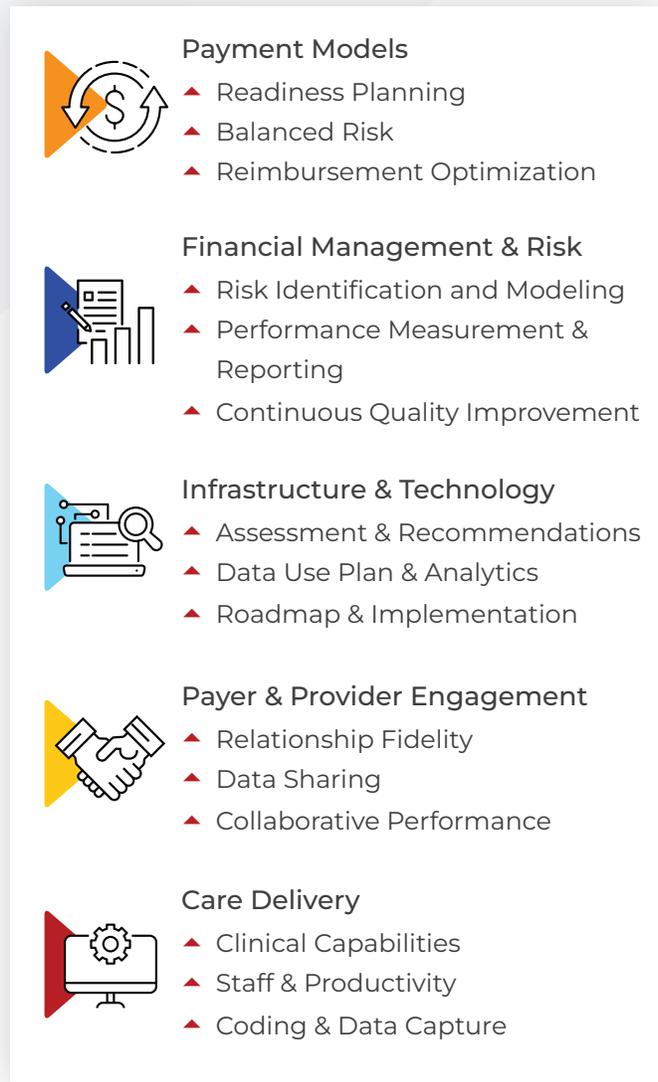

Transform Patient Care

Transitioning from volume to value requires a proactive clinical approach. With Canton, you'll have the capability to implement population health, delivery workflows, and patient engagement strategies to become the provider of choice for patients, payers, and the community.

We'll work together to create new flexibilities that allow you to deliver all types of primary care and behavioral health services with a financially sound, sustainable revenue model. Our experienced CHC experts will design and execute a comprehensive VBC strategy for your unique business perspective.

Future-Proof Your Health Center

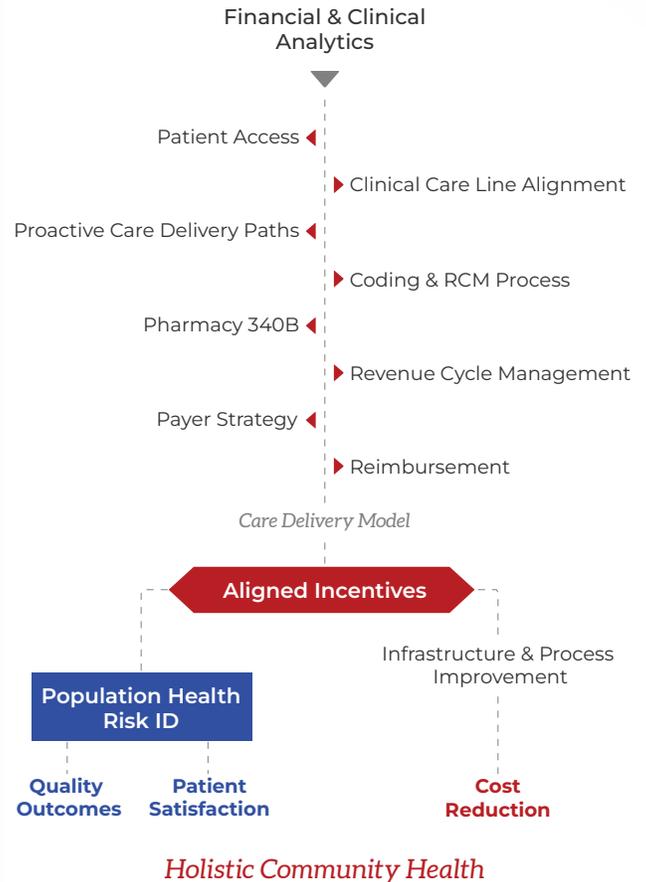

Canton ensures you have the right blueprint to transition to value-based objectives that are supported by organizational alignment.

PATH TO VALUE-BASED CARE

Thriving Community Health

Begin Healthcare Transformation

Our experts have hands-on experience developing, operationalizing, and supporting every aspect of VBC from delivery models and population health to risk stratification and data management. We'll meet you wherever you are in your value-based journey and help you thrive with a predictable, sustainable business outlook.
